

Item P24-0051

Big Foot Mobile Fall Protection System

The Big Foot's innovative design earned its own patent! This roof cart offers unparalleled portability as the lightest non-penetrating mobile fall protection system on the market. It ships job-site ready on a standard pallet with retractable handles that pin place. The Big Foot works on concrete, along with other substrates, without risking roof damage. Tie Down Safety maintains high standards and quality control through quality raw materials and components made in the USA. Premium 300 lb. flat-free tires (1,200 lb. total capacity). **3 Users: 1 fall arrest and 2 fall restraints.**
