

**Item P13-1620**

**Bosch 1-1/8" SDS-plus® Bulldog™ Xtreme Max Rotary Hammer**

Bosch 1-1/8" SDS-plus® Bulldog™ Xtreme Max Rotary Hammer features a powerful 8.5-amp motor and KickBack Control. This feature is an integrated sensor to stop tool rotation during bit bind-up situations. . It provides counter-balanced Vibration Control for more comfortable handling of the hammer. It has a multifunction mode selector for drilling versatility – drilling only, hammer drilling and chiseling. This Bulldog has ideal features for hard-working pros, including a variable-speed reversing trigger for accurate bit starting, Vario-Lock positioning for the optimal chiseling angle, a HammerHook that allows the user to hang the tool on the job and an ergonomic D-handle for user comfort. The SDS-plus® system provides for tool-free bit changes. **Includes: auxiliary handle, depth gauge and carrying case.**
