

Item P10-3244

Bosch Jig Saws

Bosch's newest generation saw featuring more power than any other saw on the market (7.0 amps). New Precision Control™ system eliminates blade wander for precision cuts. One Touch™ blade change allows one-handed insertion and ejection of blades. On/off blower switch keeps debris from cut line sight for more accurate cuts. Orbital control has four positions. Variable speed trigger and variable speed dial. Lock-on button. **Includes 1 blade, anti-splinter insert, non-marring overshoe, bevel wrench and carrying case.**
